WEBULL CORPORATION

PRIVACY NOTICE

Welcome to Webull Corporation!

At Webull Corporation, we take privacy and security seriously. Webull Corporation ("we", "our") adopts the following privacy notice in regards to the use of webullcorp.com. However, our other apps and websites (including but not limited to the trading App, our affiliates' website) are covered by separate privacy policies.

We will explain and highlight our terms and information regarding your rights by **bolding them. By accessing or using our websites (the "Services"), you signify that you have read, understood, and agree to our collection, storage, use, and disclosure of your personal information as described in this Notice.**

We will update this Notice from time to time. We recommend that you check this Privacy Notice each time you use our website to ensure you are aware of any changes in our practices.

If you have any questions or suggestions about this Notice, please contact us through bd@webullcorp.com.

How we use cookies and similar technologies

Our website uses cookies to remember your visiting information, making it easier for you to revisit and more suitable for you when you use the Services. A cookie, including cookie, flash cookie, or other similar technologies (collectively "cookie"), is a small piece of text sent to your browser by a website you visit. We will not use the cookie for purposes other than those mentioned in this notice. You can also refuse certain cookies or delete cookies through settings or your browser at any time. After deleting cookies, if you use the Services again, we will use cookies, unless you choose to refuse them. You learn more about cookies by visiting AboutCookies.org.

Our website has incorporated "Do not track" features. When you visit the website, you can enable the "Do Not Track" feature, indicating you do not wish to be tracked, so cookies will not track you.

How we collect, share, transfer and publicly disclose your information

Store

We only store data relating to your behavior during your visit, such as the number of times you visit the website, or the amount of time spent on the website during a single visit (the **"Data Information"**). We do not collect or store any of your personal information.

Share

We do not share your Data Information except in the following limited circumstances:

1) We may share your Data Information with other third parties with your permission.

2) We may share your Data Information required by applicable laws, regulations, administrative or judicial organs.

3) **We may share your Data Information with our affiliates**. **We only share Data Information with our affiliates in a manner that is consistent with our previously disclosed purposes. If our subsidiaries intend to use your Data Information for any different purpose, we will first seek your permission and only proceed with such different purpose if your permission is granted.**

If we share your Data Information with any third party, we will first sign confidentiality agreements with them to prevent them from using your Data Information in a manner that is not consistent with this notice.

Transfer

We do not transfer your Data Information except in the following limited circumstances:

1) With your express permission.

2) In accordance with applicable laws, regulations, and requirements of administrative authorities.

3) In the event that we are involved in a bankruptcy, merger, acquisition, reorganization or sale of assets, your information may be transferred as part of that transaction. The new entity will be obliged to comply with the terms of this notice or it will ask for your re-authorization.

Disclosing Your Information Publicly

We do not disclose your Data Information publicly except in the following limited circumstances:

1) With your express permission.

2) Due to the requirements of applicable laws, regulations, administrative or judicial organs.

How we protect your information

We take all reasonable security measures to protect your information against loss, improper use, unauthorized access, or disclosure. We have implemented internal processes, procedures, and structures to ensure the security of your information. We have put in place physical, electronic, and procedural safeguards to protect your

information. We work within reasonable security standards and use a variety of security measures, including data encryption, firewalls, and unique authentications to protect the security of your information. Even though we take these measures to protect your data security, no system can 100% ensure the safety of your information.

How your information moves globally

Since our Services are available throughout the world, after obtaining your authorization and consent, your Data Information may be transferred to a country or region other than where you are located or using our Services, and you will be deemed to accept their jurisdiction over your information.

Such jurisdictions may have different data protection laws, and certain jurisdictions offer less protection than others. Regardless, as described above, we make all reasonable efforts to ensure that your Data Information is protected.

How this Privacy Notice is updated

The Services are subject to this Privacy Notice. The headings of all terms are for convenience only and cannot be used as a basis for interpreting the purpose of this notice.

We may revise this Privacy Notice from time to time. The most current version of the notice will govern our use of your information. Please pay attention to the most updated version of Webull Corporation Privacy Notice on the website. By continuing to access or use the Services after those changes become effective, you agree to be bound by the revised Privacy Notice.

Languages

If there are ambiguities between the Chinese and English versions, the English version shall prevail.
